

Year 10LK Entrepreneurial Skills Revision List – Assessment 4 – 2021

Year 10 Entrepreneurial Skills Assessment will be 1 hour long based on the following areas. Detailed preparation of the following areas will be necessary to succeed in these areas. Good luck!

Evaluation of Mini Enterprise Company:

Under exam conditions you will be expected to produce a report that is an evaluation of your mini-enterprise company that will address the following areas:

The report will be on a word document and should address the following areas below. Your report should be laid out professionally as if it was being presented to a professional body. It will be addressed to your teacher. It must have headings and subheadings.

The report will begin with:

To:

From:

Title:

Date:

And then address the information below:

- Name of business and reason
- Explain the goods that your group produced and how these were manufactured
Explain how your business was financed
- Explain the type of ownership for the business (partnership)
- Explain why you chose this form of ownership - benefits of operating as a partnership
- State the aims and objectives of your business
- The planning/work that you needed to do (Researching, brainstorming, analysing current skills in the class etc.)
- Explain the skills needed to run the mini enterprise
- Explain the resources that were needed (e.g. money, labour, premises and equipment)
- Explain what role you played to ensure that the business was a success
- Explain 4/5 strengths of your mini enterprise company
- Explain weaknesses of your mini enterprise company
- For each weakness explain an improvement if you were to set up a mini enterprise company in the future
- Overall, out of 10 what would you rate the activity? (Explain reasons for your score.)

This must resemble a professional report. You must be aware of your quality of written communication and your spelling, punctuation and grammar.
