1957 - 2017

4th November 2021

Dear Parent

You will be aware that your daughter is sitting her GCSE Maths exam on Monday 29th November in the morning.

Your daughter has been preparing for this exam in her Maths lessons with topic questions, past papers and revision techniques.

As your daughter approaches her exam date she needs to make sure she has made revision notes/cards, has learnt formula she needs to know and familiarised herself with all the necessary methods. I would hope she is in a good routine with a quiet place to work at home and that she is eating healthily and sleeping well

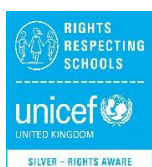

To support your daughter further it has been approved that she will be able to access a GCSE Maths Booster class on **Tuesday 9th November from 9.15am - 2.20pm**. Full attendance is expected on this day. She will return to her Science/PE lessons at 2.20pm.

The rationale for this day is to improve your daughter's confidence in the areas she has identified as needing support with. I would also hope that it will motivate her to continue with her own revision independently. I look forward to this day being a positive experience and welcome your support in helping to make it worthwhile.

If you need any clarification please contact your daughter's maths teacher or myself on ldolan543@c2kni.net

Your sincerely

Mrs L Dolan
Head of Mathematics
