

Knowledge, Perceptions and Behaviours of Young People towards E-cigarettes/Vaping survey

The Public Health Agency would like to find out about your views and experience of e-cigarettes/vaping. This will help us understand young people's knowledge, perceptions, beliefs and attitudes towards vaping and inform the future design of targeted interventions and communications with regards to vape use by young people.

This survey is open to all young people attending post-primary schools in Northern Ireland.

We would really appreciate you taking the time to participate in this survey. It should take no longer than 10-15 minutes to complete. To take part please click the icon below.

CLOSING DATE: 16th June
