Dear Parent/Guardian

Year 12 CCEA November Modules 2023

We would like to wish your daughter well in her upcoming modules. We know the girls have been working hard in preparing for their examinations.

We would be grateful if you would please discuss the following with your daughter:

- The need to get a good night's sleep before her examination and to eat breakfast before coming into school
- **Students need to be in school promptly for 8.50am for examinations scheduled to begin at 9.15am**
- If a student is ill and unable to sit the examination parents need to contact the school to make us aware of the situation
- Students need to familiarise themselves with the seating plans displayed on the Examination Noticeboard
- School bags and all belongings should be left in designated room prior to start of examination
- **Mobile phones, watches and air pods/ear buds etc need to be left inside school bags**
- No blazers or scarves are allowed in the examination room
- Full School Uniform must be worn for Public Examinations

Students will have permission to go home after the examination if parents can make arrangements to collect their daughters.

We would like to thank you for your ongoing support, and we wish your daughter every success.

Yours sincerely

Ms McLaughlin
Principal
