

14th November 2023

Dear Parents/Carer

I am delighted to have officially taken up the position of Principal Designate of Lecale Trinity Grammar School from 1st November 2023. While a more detailed address will be included in the November Communique, I would like to begin by saying how much I am looking forward to meeting, and working with students, staff and parents in preparation for the opening of Lecale Trinity Grammar School in September 2024.

As you will be aware, the design of the school uniform and crest are immediate and exciting priorities, and the views of Governors, staff, students, and parents will be central. Work is currently underway with focus groups of pupils working in collaboration, and I would like to thank the Teacher Governors from each school for their assistance in this process. This consultation builds on the excellent work already undertaken by the *Ethos, Communications and Policy Committee*. An exciting result of their work carried out in May 2023, has been the agreement regarding the school motto of ***'Faith in Every Child'***.

I now invite you as parents to comment on your views for the design of the crest and uniform for Lecale Trinity Grammar School. For the crest, you may wish to consider such factors as the shape, symbols, colours, and for the uniform, colours, key stage requirements etc. The views of all stakeholders will be considered fully before a final decision is made. For convenience, I have included a simple proforma for completion, but please feel free to amend as required. You can forward your views on the school crest and/or uniform for my attention to any one of the three schools, or alternatively via email to the schools' info accounts by Friday 17th **November**.

I look forward to hearing your views.

Yours faithfully

F. Moore

(Principal Designate)
