Dear Parent/Guardian,

Planned Strike Action on Thursday 18th January 2024

I am writing to you about the forthcoming strike action by the entire public sector, including education, health and transport. You may have seen coverage of this in the news, and I wanted to inform you about the impact that this is likely to have at our school.

How will strike action affect St Mary's High School?

When a strike takes place, those taking strike action stop work and withdraw their labour. It is expected that the industrial action will also have an impact on Classroom Assistant cover. The school meals provision will be disrupted.

A detailed risk assessment has been conducted which considers the impact that the action will have on the health and safety of pupils, staff and visitors. It must assess whether the school can run a full or amended curriculum, to determine whether it is possible to operate the school safely during the strike.

As the Principal, I, and the Board of Governors, have determined the school will be closed for pupils on 18th January.

Clearly, this is a difficult situation, which will cause some disruption. I would ask you, however, to be understanding. The responsibility to resolve this dispute lies squarely with the Department of Education and our local government. Those on strike will have thought long and hard about their decision and will also lose pay for the period that they are on strike.

Yours sincerely

Ms McLaughlin
Principal
