Celebrating 60 Years of Education  
1957 - 2017

1<sup>st</sup> March 2022

Dear Parent/Guardian,

## Re: Year 11 Mock Examinations

Please see overleaf a copy of your daughter's examination timetable which will run from:

**Wednesday 9<sup>th</sup> March – Wednesday 16<sup>th</sup> March 2022 (inclusive)**

We have scheduled these examinations in order to help focus your daughter on the work that lies ahead for GCSE modules that begin in May 2022.

It is crucial that you support her at home on the following:

- She should be spending a minimum of **3 hours on revision/homework each night** and also at the weekend in preparing for GCSE modules in May 2022.
- Revision needs to be active using mind maps, revision cards or taping herself.
- Recent research indicates that the use of mobile phones and iPads can be disruptive to learning as these devices interrupt sleep patterns and affect a young person's ability to retain information.

You will see from the timetable overleaf that the examinations are well broken up and have been put back a week as a result of the science modules and requests from the students.

I am expecting full attendance from all students. Students **do not** have permission to study at home for in-house examinations **and if this happens they will be marked absent**. This is particularly important for students studying BTECs in Business Studies, ICT, Travel & Tourism and Occupational Studies in Horticulture and Preparation for Adult Life. Poor attendance will prevent teachers from covering the courses and will result in poor examination performance.

If you require any clarification do not hesitate to contact me as we want to work in partnership with you to support your daughter achieve the best possible results and avoid disappointment in August 2022.

Yours faithfully

Mrs M. Arkins  
Vice Principal
